Dear Parent/Carer and Student

Year 10 Pre-Public Examinations

I am writing to update you on the next steps in preparing your child for their GCSE exams in Year 11. In January, all of Year 10 will sit a series of exams (PPE's) based on work covered in the classroom. These exams are designed to inform everyone of any gaps in knowledge that need to be improved before their GCSE exams in Year 11.

We can then use these strengths and weaknesses to tailor our curriculum, homework, and revision sessions to ensure that your child is fully prepared.

At Stafford Manor High School, we pride ourselves in the work we do to ensure that your child is prepared for their exams and we will be preparing them in lessons. However, success is not just from work done in the classroom. They need to be revising at home and your support would be greatly appreciated.

To help your child prepare fully for their assessment, it would be useful if you could sit down with your child and help them to plan out their revision, as well as provide a quiet place for them to study and complete their work.

Please take the time to talk through how the exams are going as it can be a stressful time for them, especially after everything that has happened this year. Please also make sure that, as well as working, they have time for some fresh air and have good sleeping habits.

The dates for these PPE's are as follows:

Date:	**Day:**	**Exam:**	**Time:**	**Length:**
10th Jan.	Monday	English 1	AM	1 hour 40 minutes
