Dear Mrs. Slack,

Holocaust Art Exhibition, Monday 26th to Saturday 31st January 2015

Please pass on our thanks to Tim Davis and your Year 9 students who were involved in preparing the art display for St. Mary's church this year. It provided a fitting backdrop for the Holocaust Memorial Service held in church.

The thought provoking display was a moving tribute to victims of holocaust throughout the world. Visitors during the week were impressed by the way in which young people of today had interpreted horrific events through their art work.

We at St. Mary's appreciate the work, time and effort of all those involved.

Yours sincerely,

Rev'd Preb. Richard Grigson.
