

28 June 2021

Dear Parent/Carer,

SIMS Parent App Login

We have taken the decision to use the SIMS Parent App which will allow you to view vital information about your child e.g. timetable, attendance, achievement points etc. We will initially be rolling this out to Year 10 this week and then the following years over the week commencing 5 July 2021.

It is very important that you download, register and sign in to the SIMS Parent App as soon as possible when you receive the invitation. All contacts with Parental Responsibility can request access to the App.

An invitation email will be sent to your registered email address and there is a 14 day activation time limit, so please respond promptly. This activation code is completely unique to you. Please note that the email will be sent from noreply@sims.co.uk and may drop into your spam/junk folder. You will NOT require a SIMS ID, as you will be able to use your own email account for logging in.

If you experience any issues with registration or have not received an email and are still without access, please contact Mrs Marshall on 01785 258383.

More information about the SIMS App can be found on www.smhs.staffs.sch.uk

Yours sincerely

Mr Lycett
Headteacher

I would like you to update the mail you have on record for me so that I can receive my SIMS Parent activation email.
