

29 September 2022

Dear Parent/Carer and Student

Year 11 Pre-Public Examinations (PPEs)

I am writing to update you on the next steps in preparing your child for their GCSE exams in Summer.

In order to support your child in achieving their best during their GCSE exams this Summer it is important that we know how your child is performing.

After half term, there will be a series of exams (PPEs) designed to inform us, and yourselves, of any gaps in knowledge that need to be improved before the exams in June.

We can then use these strengths and weaknesses to tailor our curriculums to ensure that your child is fully prepared for the actual exams.

The dates for these PPEs are as follows:

| Date: | Day: | Exam: | AM/PM: |
|---------------------------------|-------------|------------------------|---------------|
| 31st October | Monday | Biology | AM |
| 31st October | Monday | Maths | PM |
| 1st November | Tuesday | Geography | AM |
| 1st November | Tuesday | Maths | PM |
| 2nd November | Wednesday | Chemistry | AM |
| 2nd November | Wednesday | English (11A) | PM |
| 3rd November | Thursday | English (11W/E/S) | AM |
| 3rd November | Thursday | French Listening | PM |
| 4th November | Friday | History | AM |
| 4th November | Friday | Philosophy & Ethics | PM |
| 7th November | Monday | English (all students) | AM |
| 7th November | Monday | French Reading | PM |
| 8th November | Tuesday | History | AM |
| 8th November | Tuesday | PE | PM |
| 9th November | Wednesday | Physics | AM |
| 10th November | Thursday | Maths | AM |
| 10th November | Thursday | Design Technology | PM |
| 10th November | Thursday | PE | PM |
| 10th November | Thursday | Health & Social Care | PM |
| 11th November | Friday | Geography | AM |
| 14th November | Monday | French Speaking | Various |
| 28th November | Monday | Art | All Day |

Please can you ensure that your child is aware of these dates and is preparing fully for them.

See below information on how to best prepare them for these PPEs.

Headteacher:
Mr R Adams

At Stafford Manor High School, we pride ourselves in the work we do to ensure that your child is prepared for their exams and will be preparing them in lessons. However, success is not just from work done in the classroom and your support in helping to prepare your child would be greatly appreciated.

To help you prepare your child fully for these PPE exams, you will find a brochure called "**Help Your Child Learn**" enclosed with this letter.

I would like to draw your attention to **Section 7**: How to revise for the exams in November (and beyond).

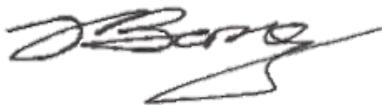

To improve their grade, it is expected that at least 1 hour of independent work/homework is carried out every night, as well as 15 hours of revision throughout half term. A blank revision timetable, which can be used to plan out revision time over half term is present towards the back of the brochure. It would be useful to help your child plan a mixture of bronze, silver and gold days made up of the following hours per day:

- **Bronze days**: 2 hours
- **Silver days**: 3 hours
- **Gold Days**: 4 hours

Finally, a message from Mr Regnauld:

"Year 11 is going to go so quickly, and before you know it, you will be sitting for final GCSE exams in the hall. The PPE's will help you become fully prepared for this. Not only by practicing your exam technique, but also showing your teachers where your strengths and weaknesses are. What you do in these exams will impact how your teachers help you over the next year, and so ultimately will impact your final grade. It's massively important you revise and prepare well for these exams in order for us to support your needs. We want you to be entering your summer exams confidently, and this is the first step to achieving that goal. Good luck!"

Yours sincerely

Mr A Barnes
