

## Art Home Support

**Year 11-** Students are to work in their exam sketchbook. Pupils are up to their 3<sup>rd</sup> artist research page, which needs to be finished. After this they are to do a further developments page which includes photos they have taken of their theme and developments of these. After this is their final piece planning page, which overall creates a plan for their final piece. Pupils can do extra work in their sketchbook if they wish, this would include extra artist research and extra developmental drawings based on the theme.

**Year 10-** Students are to work on their Marine Life coursework and to finish this. The pages pupils should have are an initial ideas sheet, at least 2 artists, a creative development sheet, a further development sheet and a final piece planning sheet. After all these are completed, pupils can complete their final piece. Now this can be done on paper if a canvas/board isn't available. The maximum amount of time spent on this is 10 hours.

### **Year 9- Animal Artist research**

Find an artist online and do an artist research page. This is to include a title of their name, information about the artist, a drawing of the artists work and if you have a printer, some printed images of the artists work. Another option if the above isn't possible is to do a selection of drawings in different medias. Such as one drawing in

pencil, one in pen, one in pencil crayon. You can draw something based on Animals.
