

# Year 9 Autumn Art Assessment

## Revision List:

### Food:

- Recording ideas
- Mind Maps
- Annotations

### Photography:

- Understand photography
- How to edit photos.
- Drawing the photos.

### Artists:

- Why do we research artists?
- Format of artist pages
- Artist recreations

## How to Revise:

### Step One: Make Flash Cards:

A flashcard usually has a question on the front and an answer on the back.

On the right is a QR code which can be scanned to show you what flash cards are, how to make them **and** how to use them, but there are some outlines below:

1. Turn the information in the core knowledge booklet into a question.
2. Write a short answer on the back – make sure it isn't too long or it will be more difficult to remember it.

Another example of how to use them is below:

## Where to revise:

You can use the websites below to revise for each of the topics by going to the links below:

| Observations                                                                                                                    | Photography                                                                                                                     |
